TRADE COUNCIL

MARK'S WAY.

MAYOR McKisson predicts that

Mr. Hanna will not carry Cuyahoga

county. And McKisson ought to

know.

THERE was rejoicing in "Dead

Man's Corner" last night when the

news of Boss Cox's triumph was re-

ceived.

YESTERDAY it was Hanna and now

it is Cox and Hanna. The Republi-

can party seems to be going from bad

to worse.

WHEN "loyal" Republicans are

persistently turned down and "traitors"

rewarded, who can blame the

"loyalists" for getting discouraged?

MESSRS. DAUGHERTY, Kurtz and

Foraker and other anti-Hanna lead-

ers seem to have the alternative of

opposing bossism or scrambling to

get into the band wagon.

IN nominating Mr. Daugherty,

Chairman Holcomb of Cleveland

shouted that "no dictation will be

tolerated here today." Results indi-

cate that Mr. Holcomb was talking

through his hat.

ONE of the clerks in Judge Ander-

son's office remarked yesterday

afternoon, upon hearing the returns

from Columbus, that he "was glad

Park Alexander was knocked out."

Judge Anderson's turn comes next

fall.

THE prediction of the 15,000 Hamil-

ton county Republicans who held a

mass meeting to protest against

Boss Cox's domination will likely be

verified after all. It was: "Nomi-

nate Boss Cox's man for governor,

lose Hamilton county; lose Hamil-

ton county, lose the state."

IT is an easy matter for two bosses,

reinforced by a barrel, unlimited

federal patronage and inspired by

mutual selfish desires to control

legislation, to ram a slate down the

throats of a few hundred convention

delegates, as was done by Hanna and

Cox at the Columbus convention

yesterday, but they cannot make

intelligent voters, and there are

about a million of them in Ohio, sup-

port that slate.

WHAT HAPPENED TO ALEXANDER?

"Caldwell 549; Alexander 214;

Wilson 78."—Result of balloting for

Lieutenant Governor.

The defeat of Senator Alexander

for the nomination for Lieutenant

Governor, by a plurality of more

than 300 votes, caused his Akron

friends to wonder how it happened.

They had thought that if any man

had a good claim upon the political

support of Mr. Hanna, it was Senator

Alexander, for at the last session of

the Legislature no man worked

harder than he to promote the Sena-

torial candidacy of the great boss.

It will be remembered that in the

heat of the Senatorial contest, Mr.

Alexander not only resigned the

trusteeship of the Institute for the

Feeble Minded, to which position he

had been appointed by Governor

Bushnell, but against the wishes of

his friends he even went to the

extremity of denouncing the Republi-

der is spurned and humiliated by the

political ingrate who poses as the

dictator of the Republican party, and

the reward well earned is given to an

enemy.

But the treatment of Alexander,

shameful as it is, is in entire accord

with Hanna's attitude toward those

other Republicans who made their

loyalty to the great boss a public

boast while the fate of his Senatorial

aspirations hung in the balance two

years ago. The loyal Republicans

have been invariably passed over in

the distribution of favors that has

followed Hanna's appointment,

while the very "traitors" and "yel-

low dogs" who opposed the great

boss until they got their price, have

been ingratiated into the bounties.

Ingratitude—this one word tells

what happened to Alexander.

It also explains in a measure what

is going to happen to Hanna and Cox

next fall.

The joint field day meet at Canton

Friday between the Akron and Can-

ton High schools resulted in a victory

for the Tip Top City boys. They

won 11 events out of 16.

The Akron boys scored 71½ to 68½

for their opponents. Just a score of

rooters from the Akron school ac-

companied the 12 Akron High school

boys who entered in the contests.

Those who represented Akron were:

R. Chamberlain, M. Glover, G.

Thomas, R. Sommers, E. Eppley,

Arthur Cass, W. Washer, R. Nesbit,

F. Mars, T. Rostock, W. Adams and

J. Linnit. The work of R. Cham-

berlain, E. Eppley, R. Nesbit and T.

Rostock is entitled to special credit.

The mile run was won by W.

Washer, of Akron. E. Eppley, of

Akron, won the two mile bicycle race

and the half mile wheel race. T.

Rostock captured the 220 yards run-

ning race. R. Chamberlain was re-

ceived with wild applause when he

crossed the tape first in the 50 yards

dash. Chamberlain also won the

100 yards dash, making a record of

10 3-5 seconds.

Trotting Club.

A number of Akron horsemen have

organized a club to be known as the

Akron Gentlemen's Driving club,

and matinees will be given at the

Fountain park track, every Friday,

commencing at 1 o'clock. Should

the weather be inclement and neces-

sitate postponement of the races on

Fridays, they will be run on the Mon-

days following.

The organization has been effected

for the purpose of developing speed

in the horses belonging to the mem-

bers of the club and also bring to-

gether the members in social and

entertaining meets. All outsiders

will be welcome at the matinees, but

there is a color line drawn in the

membership of the club, no negroes

to be admitted.

The officers are: President, E. M.

Ganyard; vice president, Dr. E. R.

Barnett; secretary, Chas. Hazen;

treasurer, R. L. McAllister.

The importance of

taking a good Spring

Medicine is well known

—in fact, its necessity

is universally admit-

ted. To argue this

point is useless—takes

up your time and wastes

space. The real question is, what

to take? Of course, you want the

best. For your blood you want a

medicine which cures blood

diseases. For poorap-

petis, indigestion, con-

stipation, nervousness, and

dyspepsia you want a medi-

cine containing appetite-

giving, stomach, toning, dyspepsia-

curing qualities. For that tired

feeling, dull headache, mis-

erable, all run

down

condition, you want

a true tonic to bone

sinew, nerve and muscle—not a

stimulant. Now we can prove,

we have proved, we DO prove each

and every day in the year, that

Hood's Sarsaparilla

IS the best;

that it is un-

equalled as a

general Spring Medi-

cine; that it meets

every requirement above named

and more. We prove this by thou-

sands of testi monials—

not from peo-ple anxious

to advertise themselves,

but from people

in the

same walk

of life as you. And

our testimonials tell of

cures, real, bona fide CURES.

We believe when you have given it a

fair trial you will agree that America's

Greatest Medicine and best Spring

day, June 9, and performances will

be given weekly during the rest of

the season. A list of the members

has not yet been prepared, but it is

thought the number will be about 50.

The club has some good horses and

fast races are assured.

A meeting of the members will be

held Monday night to determine upon

financial arrangements for the con-

ducting of the club.

To Do or Die.

The reporters are prepared for base

ball this season. They prefer to meet

the bankers, city officials, policemen

or fireman. It might be said that

the scribes promise to give a true re-

port of the game, should one be ar-

ranged and played.
